

Window Options

Classic or decorative, Clopay has a window option to complement your home. You can choose from classic windows in single pane glass, Plexiglas or obscure glass for extra privacy. Or you can customize your residential garage door by adding one of our decorative windows and inserts.

Designer Collection

Choose our new Wrought Iron windows to provide the beautiful look of handcrafted forged iron. Also available are our Studio Series with platinum-look caming and in the Leaded Series with brass-look and/or zinc-look caming. Brilliance™ Series Windows are made of etched glass creating the illusion of real beveled glass.
